

Sports Events

Whether you need to feed a bunch of hungry athletes, band members or avid fans, Georgia Roussos Catering will make you feel like the home team. When game day rolls around we can feed your crowd a tailgating feast that is something to cheer about! We've been catering at the GoDaddy Bowl and Senior Bowl for years with many rave reviews.

What about race day? We can help you reward your runners with a post-race menu, just like we do for the First Light Marathon. Planning a game day party at your home? Our to-go options will help you score big smiles.

So huddle up your planning committee and take a look at our menus. And remember, these are just ideas to get the conversation started – we have plenty more options in our play book!
